

CHRISTIAAN DE WET

DISCIPLINARY SYSTEM

A disciplinary system is used in the school to monitor the behaviour of each learner. Negative behaviour is punished with the different levels of offences: Minor, Serious and Very Serious Offences.

Minor Offences:

- When a learner has reached 3 minor offences, the learner will have to attend detention for one school day.
- When a learner has reached 6 minor offences, the learner will have to attend an extra 2 detentions.
- When a learner has reached 9 minor offences, the learner will have to attend an extra 3 detentions.
- When a learner has reached 12 minor offences, the learner will receive a disciplinary hearing.

Serious Offences:

- When a learner has reached 2 serious offences, the learner will have to attend 2 detentions.
- When a learner has reached 4 serious offences, the learner will receive a disciplinary hearing.

Very Serious Offences:

- When a learner has reached the first very serious offence, the learner will receive a disciplinary hearing.

Detention will be held during school hours. This means that the learner will not attend class for that day. The learner will attend detention in the detention class. 1 Detention = 1 school day

The learner will receive notice when to attend detention.

Parents will be notified when a learner needs to attend a disciplinary hearing.
